Invitation for Webinar on Digital Health using Mobile Technologies dated 06-01-2022

IEEE Delhi Section with Computer Society Chapter, Consultants Network Affinity Group, Life Member Affinity Group, Inter Society Relations, Industry Relations & SIGHT Standing Committees of IEEE Delhi with the associations CSI, Safa Society, ISTE Delhi Section, IETE Delhi Centre, invites you for a Webinar on 06-January-2022, the Thursday, at 06:00 p.m.

This webinar is aimed at highlighting how the phenomenal rise of mobile devices & smart phones globally in the past few years, have made us enter the digital age - the mobile age and its uses for better healthcare. The webinar will walk through Mobile Health case studies and implementation experiences from around the globe. The examples will demonstrate how health problems of today's information society and the needs of data and knowledge intense heterogeneous but STANDARDS based healthcare solutions are being met by bleeding-edge mobile solutions that were in the cradle of research till recently. As we transition to a digital record framework use of mobile health will continue to rise. As mobile devices become more and more ubiquitous, accessing our Health Information is only a few tap/swipes away.
