Invitation for Webinar on Authentication and Password dated 23-07-2022

IEEE Delhi Section with Computer Society Chapter, Consultants Network Affinity Group, Life Member Affinity Group, Inter Society Relations, Industry Relations & SIGHT Standing Committees of IEEE Delhi with the associations CSI, Safa Society, ISTE Delhi Section, IETE Delhi Centre, invites you for a Webinar on 23-July-2022, the Saturday, at 06:00 p.m.

We all know that password is the most basic and most popular approach towards securing our devices and applications. Can using passwords alone make us secure? In the current evolving cyber threat scenarios in a world where Zero day threats are becoming the new reality, having even a strong password is not adequate. So what are various authentication technologies available to secure our IT Infrastructure? Passwordless Authentication? is a new buzz in this arena. This webinar is aimed to discuss its all round perspective.
