Invitation for Webinar on 5G - Myths and Challenges dated 09-07-2022

IEEE Delhi Section with Computer Society Chapter, Consultants Network Affinity Group, Life Member Affinity Group, Inter Society Relations, Industry Relations & SIGHT Standing Committees of IEEE Delhi with the associations CSI, Safa Society, ISTE Delhi Section, IETE Delhi Centre, invites you for a Webinar on 09-July-2022, the Saturday, at 06:00 p.m.

5G has seen deployments in many countries. These deployments help us unravel some myths and challenges. India will also soon see 5G deployments by many operators. This topic will also cover the deployment options, use cases focused for 5G deployments. Private 5G deployments have also seen some unique deployments. We will also cover challenges and solutions for private 5G deployments in Indian context. The Webinar aim to discuss all round perspective of 5G ? myths and challenges.
