Invitation for Webinar on Blockchain dated 31-07-2021

IEEE Delhi Section with Computer Society Chapter, Consultants Network Affinity Group, Life Member Affinity Group, Inter Society Relations, Industry Relations & SIGHT Standing Committees of IEEE Delhi with the associations CSI, Safa Society, ISTE Delhi Section, IETE Delhi Centre, invites you for a Webinar on 31-July-2021, the Saturday, at 06:00 p.m.

Initially Blockchain was positioned as cure for all problems. As years went by, Blockchain has become real in Enterprise / Private ? Permissioned Blockchain space. It emerged as a trusted open source technology that can be used as trusted middleware or single source of truth which became paramount in the world where trust gap is increasing on account of fake documents fake identities, fake products, fake news etc. From supply chain-focused industries like manufacturing, retail, and healthcare to tightly regulated ones like banking and aerospace, the adoption of blockchain is poised to accelerate in 2021 as countries and organizations attempt to operate ?business-as-usual?. They will continue to use Blockchain to provide new customer experience, solve tough business problems that remain unsolved through traditional technologies. The Webinar is aimed to discuss its all round perspective and the key trends that will drive us in the Post-Covid world.
