Invitation for Webinar on Data Privacy - A Humanistic Perspective dated 10-09-2022

IEEE Delhi Section with Computer Society Chapter, Consultants Network Affinity Group, Life Member Affinity Group, Inter Society Relations, Industry Relations & SIGHT Standing Committees of IEEE Delhi with the associations CSI, Safa Society, ISTE Delhi Section, IETE Delhi Centre, invites you for a Webinar on 10-September-2022, the Saturday, at 06:00 p.m.

Data is the new Oil". This is a one-liner used/misused quite liberally. Organizations have become more data hungry because they want their decision-making to be data-driven. Any data-related expertise commands a premium in the job market. But can organizations do anything with the mountain of data that they have? The question further takes a different flavour when the data relates to people, specially their personal data. Given this scenario, it is important to understand the basics of data protection. The webinar aims to discuss various dimensions and spectrum of data privacy including its threats and challenges.
