One Week Faculty Development Programme on "Cyber Security with IBM Qradar" during 25-29 September, 2023

The objective of this Faculty Development Programme (FDP) is to enable Faculties to upgrade their skills to become a catalyst for reinvention in their own and students' lives. In a world that's constantly evolving, it's important for us to stay updated to stay ahead. Faculty Buildathon is designed to expand your horizon and equip you with practical and hands-on technical knowledge. Get ahead with the help of technical bootcamps, expert mentoring, access to licensed software, IBM Cloud, self-learning courses and many exciting benefits at no charge. In this FDP, there will be technical sessions on the following topics, by experts/trainers from IBM:

- ? Introduction to Networking
- ? Introduction To CEH
- ? Introduction to Linux
- ? Vulnerability Analysis
- ? Social Engineering
- ? Hacking Web Applications
- ? OSNIT
- ? Web Application Testing & Qradar Management & SIEM Log Monitoring
- ? SOC & SIEM & Qradar

? Qradar Installation

? IBM Cloud Services
